“May your dreams stay big...”

Canton High School

CANTON PUBLIC LIBRARY
CANTON, MASSACHUSETTS

Class of 2008

Dedication

2008

Heather Sullivan

Heather Sullivan has truly been an asset to Canton High School. She has been exceptional in making sure each senior class has the best year possible. As the senior class advisor she organizes all events held for seniors such as prom, senior breakfast, powderpuff, and the all night graduation party. She has also spent much of her time contributing to the athletics department by selling tickets at games and fundraising. Mrs. Sullivan does all of these things in addition to her job as secretary at Canton High School. In 2007 she was recognized for all of her perseverance and hard work by the Norfolk County Teachers Association when she received the Distinguished Service Recognition Award. Canton High School would now like to again recognize her for all of her hard work in 2008.

SENIOR GIRLS DOMINATE STOUGHTON RIVALS IN ANNUAL POWDERPUFF GAME

The Canton Senior Girls dominated at the annual Powder Puff game with a score of 20-12. Touchdowns by Brianna Whelan, Julie Gormley, and Julie Joseph helped the girls in their victory. The girls had worked hard at practice and received the win they deserved. With a great defensive line and an awesome kick return team Canton was unstoppable. Though the girls took some spills in the mud when the rain started to pour, they only worked even harder to beat Stoughton. The last seconds of the game Canton had to fight to stop Stoughton from scoring a touchdown. The task at hand was easily overcome when Emma Shultz stopped a Stoughton rival at the 8 yard line with only seconds remaining. Canton girls continued their powderpuff dynasty over Stoughton.

SOFTBALL

Colleen looks for the catch!

Sarah waits for her pitch

Brianna catches for an out!

This past year was a rebuilding one for the Girls Softball team. After losing many irreplaceable seniors we were unsure of how the next year would turn out. However, the team proved to have great talent, even though the final record did not reflect their hard work and spirit. . The outstanding efforts of captains Julie Murray, Meghan Cawley, and senior first baseman Allie Mazzoni demonstrated their great leadership skills on and off the field. Although the loss of these three seniors will be difficult for the upcoming season, returning members look forward to a great year ahead led by Captains Chrissy Murray, Kelly Wade, and Sarah Miller.

Last year was an exciting year for the baseball team. There were several seniors on the team that were looked up to and depended on by all underclassmen. Captains Mikey White and Rob Feliz were among these seniors. Both contributed greatly on and off the field and will be greatly missed this year but we look forward to another successful season in 2008 with much returning talent.

The Girls Tennis team's 2007 season marked the end of Joe Gaudet coaching career. Gaudet took a young and inexperienced team and shaped them into hardworking and devoted players for the up and coming 2008 season. The girls hope to continue their hard work with a new coach and live up to their reputation as one of Canton High's most dominant sports teams. Led by senior captains Katie Slusarz, Kristen Coco and Kelly Winter, the team will continue to show commitment and loyalty to the sport.

School records were broken by Sam Bastien in the 400m - 49.4, 200m-22.1 and Gentry Jones 100m-10.8. First year head coach Nick Devers, who has been the assistant coach for past years, was very satisfied with the season. Ten athletes managed to qualify for the state meet in either individual events or relay events. The Captains were Sam Bastien, Jason Boulanger, and Alix Jean Charles. We expect outstanding turnouts for next year with new Captains Kevin Ward, Andrew Ha, and Ralph Finis who were this season's top performers as Juniors.

GOLF

Due to the remarkable young talent that the 2007 Golf team acquired in the past year, we were able to have a great season in which we made the Division II State Tournament, had an 8-8 record, and established Rob Davis, Frankie Eckler, Will Theodore, Kyle Leavitt, Bobby Hayhurst, Matt Buckley and Joey Dipillo as top golfers in the Hockomock. Also big thanks to the powerful senior leadership of John McNiece, Captain Brendan Barry, Captain Gary Powers, Captain Kevin Green, and last but not least, Coach Spillane.

Canton steals the ball back

The 2007 season started off with many changes. We were unsure where our place would be in the Hockomock League, let alone the state tournament. Our first day of practice put all of our fears to rest. We were confident after meeting our new coach that we were in capable hands. From day one we all took on a "nothing can stop us" attitude, we like to refer to as "we run this". When we were the number one seed and undefeated for the tournament we all wanted to become the dynasty. It looked as if it was destiny. Even though the State Championship didn't come home with us, our 2007 season will still be unforgettable. -Emily Kreuger

Captain Catherine O'Brien takes a swing at the competition.

FOOTBALL

Strong senior leadership and great coaching were the keys to success for the 2007 football season. The team improved their win total with their highly competitive attitude. The seniors set many great examples of good work ethic and determination. There will be many returning starters coming back next year for both defensive and offensive lines. Watch for a strong and well-coached team on the gridiron next year.

GIRLS SOCCER

The team discusses strategy at half time.

The Girls Varsity Soccer team came together very well this season, despite their lack of wins. The upperclassmen were greatly outnumbered, resulting in a young team. Looking past age, the girls shared a great bond with one another and played with heart all season. The girls brought the heat every game. They played well together and were left with a season full of memories. The Seniors wish the girls luck next fall! -Capt. Jackie Gaughan

After graduating 9 starters from the Hock Championship team, the team posted an impressive 7-5-5 regular season record and qualified for the Tourney with a #12 seed. A 3-1 win over #5 Holliston was followed by a Quarter-final win over a tough #13 Bishop Stang team, 2-1. The team then faced #1 undefeated Medfield and after playing to a 2-2 draw, won a penalty shoot-out to advance to the final. The #10 seeded Sharon Eagles finally stopped the upstart squad in the final, 4-2.

GIRLS CROSS COUNTRY

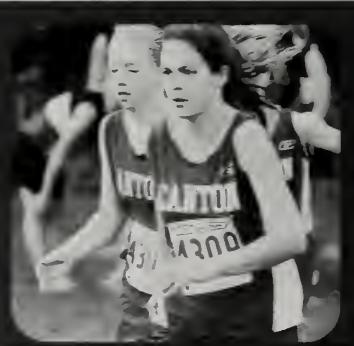

The girl's Cross Country team, led by captains Megan Kelly, Tina Kennedy, and Alyse Rocco, had an excellent season. The team started out small but as the weeks progressed, there were many new additions, including five freshmen. After enduring several weeks of difficult training, warm temperatures and several downpours, the girls managed to pull off a 3-5 season. However, it wasn't until the Hock Championships at Borderland, where they placed fourth in the league, when they felt their hard work had paid off. The team as a whole became very close this season and loved working with their new coach, Mike Atwood. The girls will miss the seniors greatly. It looks as though the future is bright for this team, with many young talented runners.

The Boys Cross Country team had a fantastic and exciting season this year. Their 1-7 record in the competitive Hockomock League was no representation of their talents. Led by captains Andrew Ha and Tom Waldman and a dedicated group of seniors, the team shined in the post-season by winning the Hock Invite Meet and beating other league champions, such as Martha's Vineyard. Canton had twenty-seven runners this year, the most ever, including a large group of underclassmen who hold promise for the future.

CHEERLEADING

We started the fall season with another new coach. Even though we were unable to attend camp and got a bit of a late start the team formed a strong bond very quickly. Everybody worked really hard and pulled together in order to qualify for regionals at the Hockomock competition. We had fun at team dinners and sleep overs and excelled at football games and competitions making sure the bulldog spirit shined through. - Capts. Jenni Connors and Brittany Martin

GIRLS SWIMMING

The Canton High swim team made history this year by combining both boys and girls into one united team. Led by returning coach Jim Carta and daughter, Jackie, the team started without much experience. Hard work and dedication, however, proved to be the swimmers' strengths, the girl's team finishing with a 5-6 record and the boys with a 4-7 record. Senior captains Catt Casey, Kristen Coco, and Amanda Konopka were proud to lead a team so dedicated and motivated to excel at their sport. One particular highlight for the team was the Hockomock League's decision to name juniors Michelle Allen, Jon Cattel, and senior Catt Casey as all-stars in the Hock, not to mention Catt's award as MVP of the entire league.

This was the inaugural year for Canton High School Boy's Swimming. Though few in number, they still managed a 4-7 record. It was a season to remember, especially with two wins over our rival, Stoughton. The team will be losing the three senior captains Justin Wong, Matt Wong and Chris Ye, who will be greatly missed by both the girls and boys on the team. The team looks forward to another memorable season.

The 2007-2008 Lady Bulldogs Basketball team ended an impressive season by qualifying for the state tournament for the first time in 3 years. The team finished with a record of 11-9, and beat Oliver Ames, the second seed in the league, 62-54. The girls were able to prove themselves to all the teams who had doubted them in recent years. Well coached by Erin Kirrane, the team was led by junior captains Brianna Trabucco, Colleen Moriarty, and Liandra Pellegrini. The team is losing 3 seniors this year, but all 3 captains are returning. The team now has the confidence to make it even further in the state tournament next year.

GIRLS ICE HOCKEY

The Girls Ice Hockey team had a great turnout this season. Coach Dan McLean and the veteran players were pleased to welcome several talented freshmen and a new assistant coach, Molly Norton. As the defending League Champions we knew the 2007-2008 season would be a challenge. We started out with two losses but made a remarkable come back. Senior Brittany Lyons was able to score her 200th point this season and many of the girls followed in her scoring footsteps. It was a season full of determination, victory and heart. The Seniors would like to thank the girls for a fabulous season! Good luck next year and have fun!

BOYS ICE HOCKEY

It was a spectacular 2008 for the boys' varsity hockey team. After going 1-3 to start the season, a young but talented squad reeled off 11 wins in its next 12 games to surge to the top of the Hockomock League standings. The team was led by a trio of scorers – sophomore sensation Robbie Davis and juniors Bryan Rooney and Chris Galanis. The Bulldogs also got big contributions from its seven seniors - Will Bigwood, Robby Corrigan, Pete Desisto, Joe Griffiths, Chris Malloy and Mike Vozzella, along with player-manager Mike Votruba.

GIRLS WINTER TRACK

The Girls Indoor Track and Field team had a remarkable season. This year's team, consisting of only 30 girls, fought hard when competing against teams that were often twice its size. The highlight of the season was the squad's upset win over Foxboro, in addition to wins over Stoughton and Sharon. All winter, the girls threw down personal bests, many of which ranked among the best in the league. Four runners represented Canton in the Division III state meet, in the 4x200m relay, the 55m dash, the one mile run, and the high jump. The underclassmen have displayed much talent, and the next season should be an exciting one.

BOYS WINTER TRACK

With the great leadership of Captains Andrew Ha, Chris Sullo and Kevin Ward, the winter track team made great strides this season. The team predicted a 2-6 finish, but they proved their predictions wrong as they worked hard and pulled through with a record tying season of 4-4. Outstanding performances were made by Clay Menardy in the 600m, Christian Bates in the 100m and hurdles, Ray Bass in the hurdles, along with Matt Wing and Chris Sullo in the hurdles and high jump. Head coach Cbris Elgar and assistant coach Nick Devers were pleased with the season, as were the captains.

GYMNASTICS

The 2008 gymnastics team had a very successful season, finishing with an overall team record of 8-3. The team was led by its two captains, all-around performers Erin Donnelly and Emily Damari. The future looks bright for next year's team as well, with many talented sophomores and juniors, including Becca Spada and Lisa Brown, returning.

Another victory for CHS Wrestling

The 2008 Bulldog Wrestling team could be classified as one thing: young. After graduating 10 seniors in 2007, the team looked to captain Marc Julien for support. Julien responded by placing 2nd at the Peckham tourney, 2nd at the Hock tourney, 3rd at sectionals and 6th at states. Senior Hardy Zephirin also had a strong year, as did Marion Knight. Overall, this rebuilding team struggled to maintain a strong record, obtaining seven wins, but looks forward to a bright future.

Yearbook Advisor
Jay Turner

Despite the raging fights, wrongful accusations, and rare but joyful leaf throwing, the yearbook staff has managed yet again to produce another fantastic yearbook. It couldn't have been done without any one of us, including the underclassmen, who, despite common belief, proved to not be incompetent. With many complaints, S-club 7 and techno booming, and late night stays, the pages came together one by one just in time to meet each deadline. Even though most of the time, when trapped in the yearbook room together til 8 o'clock at night, we had to fight the strong urge to kill each other, I know now that without any one member, the yearbook staff just wouldn't be complete. I'm so thankful to have gotten to work with such a great staff and to be able to work under Turner during his last year as yearbook advisor. Thank you editors, staff, and Mr. Turner for making this all possible.

PIPPIN

"His life and times!"

This year, the Canton High School Drama Club presented the musical “Pippin.” With a touch of humor, excitement, romance, and overall craziness the play took the audience on an interesting ride. Thomas Leuken shined in his role as Pippin, a young adult searching for his purpose in life. The leading players, Naomi Barker and Joanna Sugameli, narrated the play while trying to help Pippin in his journey. Eventually he falls in love with a widow, Catherine, played by Madeleine Bannanzio. The devious and conniving leading players try to convince him to commit suicide, but he chooses to live a normal life with Catherine and her son instead.
